

Life Happens - Navigating through Financial Change

Nancy Depcik

Unshakable Success™ | Professional Speaker | Trainer and Coach

Breakout Description

Has life thrown you a curve ball...AGAIN??? Has it taken you on another twist and turn that you didn't see coming? I call these "Unwelcomed Changes". You know, the kind that sneak up behind you and alter your life forever. It may be that you lost your job, are struggling with your finances, or are facing other life challenges. Nancy will share techniques you can start using today to accept those changes and just plain feel better. She will help you discover how to keep a positive attitude no matter what may come your way.

Bio

Nancy Depcik is a nationally recognized speaker and trainer. She has worked with major corporations such as Walgreens, PepsiCo, and Subway just to name a few. Her background as a sales superstar, leader, and business owner have given her the secrets to Unshakable Success™, the kind of success that no one can ever take away from you, no matter what may come your way.

Nancy inspires people to discover their own Unshakeable Success™, both in their personal and professional life. She will share her secrets to staying positive during challenging times and offer suggestions on techniques you can start using today to cope with unwelcomed change. She will show you how to find the strength within you to face life's challenges and thrive.
